Faithfulness & God's Favor

Issue XXXIV Summer Edition 2023

I heard Pastor John Hagee make a statement that I will never forget, he said, "If you want God to bless you, find out what it is that He wants you to do and do it, because He will always make a way for His will to be done." I believe not only will He make a way, but He will also help you to get it done. Nehemiah 6:9 says ". . . O God, strengthen my hands."

When you are working for the Lord, He does not ask for more than you have. The Bible says, "be thou faithful over a few things." When we can manage the little that God gives us to do, He will make a way for you to manage more. God is faithful to supply all our needs, especially when our needs are intertwined with His will. And when our needs are His will, He never fails to supply our needs according to His riches in glory.

Often, I think, we get what we desire mixed up with our needs and hold God responsible for not supplying our desires. That's when the trust comes. The Bible says in Proverbs 3:5, "Trust in the Lord with all thine heart; and lean not unto thine own understanding." It's easy to say, but sometimes very difficult to do at times.

Trust in God often means not seeing the whole picture and not understanding the outcome but knowing that He has it all under His control. Trusting God often means waiting on Him and at times God does not tell us how long we must wait but trusting Him means I will wait no matter how long it takes.

The Bible says in Psalm 30:5b, "weeping may endure for a night, but joy cometh in the morning." The reason why we, at times, weep in our night season is because we simply don't know how long our night season is going to be. Uncertainty is very difficult at times, but faithfulness brings on the favor of God.

I believe God has blessed our Church not because we are many, but because we have waited and in our waiting, we have been faithful. Faithfulness brings on the favor of God. Faithfulness paid off in dividends that can't be explained.

This move is not about your degrees. It's not about how much money you make. It's not about your job title. It's about your faithfulness as we continue to be faithful to God, He will continue to move in our ministry and to bless the works of our hands.

Yours Because of Calvary,
Bishop Brisco

A LETTER FROM THE EDITOR

Greetings Kingdom Readers!

God has been good to us! The song writer wrote, "He keeps on doing great things for me . . .", but not just for me, He keeps on doing great things for us and you know what? It is marvelous in our eyes! The Lord has done so much for us, Kingdom Church that we ought to give Him the glory every chance we get. As Bishop says, "He is not finished yet!" and Elder Prattis says, "There is more to come!"

As we look and see what the Lord has done, what He is doing in our midst and what He is going to do, we owe Him a praise! Reminisce how He has blessed us to have paid our 30-year mortgage off in seven years and how He has blessed us to renovate and built on to our building. God has not blessed us just so we can say we have a beautiful building, but for Kingdom work. Not only has He blessed us to build, but He has even blessed each of us financially, materially, physically and Lord knows, He is continuing to bless us spiritually, and it is not for naught. I believe this will be a place where the Lord will direct who He desires to come and be saved, healed, delivered, and set free by His anointing that abides in this ministry. Jesus said in John 9:4 "I must work the works of him that has sent me, while it is day; the night cometh, when no man can work." In reading, it says that this verse is incredibly important because it contains a strong admonition for every serious Christian. We have a great work to do in these last days and Bible says in II Timothy 3:1, "This know also, that in the last days perilous times shall come." The last day are here now. Be encouraged Kingdom, hold on, be strong and keep the faith, for God is not through blessing us and using us for His glory!

Well, as always, we pray that this newsletter will be a blessing to you and that you will enjoy reading all the articles. Thank you to everyone that took part in making this newsletter what it is; we could do it without you.

Summer is almost here; I love it! I pray that everyone will have a wonderful summer and as you go on vacations and getaways, be safe and be blessed.

Love you and I am yet, Working to Build the Kingdom,

Lady Briscoe

COUPLE'S MINISTRY

The Love Language Called Communication

In marriage, how hard is it to communicate your honest and deepest feelings to your spouse? Communication is the successful conveying or sharing of ideas and feelings. It is the use of words when speaking and includes the important part of listening with our ears and heart. Our body language when speaking and listening is also important.

Communications is never "I talk; you just listen!" It's actually, we talk, we listen, and we get an understanding without getting offended. There is a saying which states, "Everyone wants the truth until they hear it." In a marriage, because we are one, we should want to hear the truth with a clear understanding of our spouse's point of view. Communication is the key to a good and well-balanced marriage. If we think our spouse does not understand us, then try explaining your point in a way they will understand and allow the grace for them to understand.

We are married to people who we have given our heart to; surely, we can lend them our ear. Love should cause us to sit down together, give each other our undivided attention and have a loving conversation.

LADIES OF EXCELLENCE

Blessed is She...

Blessed is she who has believed the Lord will fulfill His promise to her. The Lord wants to show you His goodness, send down the rain from heaven to water the faithful seeds you've sown, and bring you into the wealthy and fruitful season of your harvest. You are the daughter of the King who is not moved by this world, He is your Heavenly Father. We must walk in our blessed place and receive what God has promised us in this season even if we don't see it. Job 22: 28 says, "I shall decree a thing and it shall be established in my life". When God designed a plan for your life it wasn't dependent on you being perfect. Your mistakes are not a surprise to Him. We can't allow the mistakes we've made in the past; our struggles, trials or past hurts get in the way of what our Heavenly Father wants to do for us. God loves us more than we will ever know. He does not see us as we see ourselves. You are not an afterthought, but a part of His original plan. This blessing God is about to walk you into is far greater than the trial you walked out of. When God begins to bless, He will cause situations to come together and work in your favor no matter what others try to do. Go after God and get everything he has prepared for you. Don't give up, be strong and keep the faith. Everything will be alright. Trust the process and know everything you prayed for is about to fall in place. Speak what you seek until you see what you've said, and watch it come to pass. You are a beautiful woman, strong and capable. You are wonderful, chosen and forgiven, so believe it. God is working on your behalf and his timing is perfect. Pray and stay focused on doing the will of your Heavenly Father. Look for your blessing, it's coming!

Psalms from the Heart

A Collection of Gospel Song Titles

At the Cross, I have decided, that I will surrender all. I am asking for just a closer walk with thee. Oh please take my hand! Where He leads me, I will follow. Every day with Jesus is sweeter day before. On Christ the solid rock I stand! Don't you know that I am redeemed? We cannot forget at Calvary, Jesus paid it all. Near the cross, there are many precious memories of how I got over.

Oh joy to the world! How great thou art! How great is thy faithfulness. Holy, holy, holy! Let all the people praise Him. Lift every voice and sing, to God be the glory. Yes, God is real! Amazing grace is only a prayer away.

While standing on the promises, I found the answer. Just a little talk with Jesus, can't you hear Him calling softly and tenderly? Onward Christian soldier, throw out the lifeline, keep trusting, we have come this far by faith. Yield not to temptation. Farther along, face to face, God shall wipe away all tears! Tis so sweet to trust in Jesus!

MUSEUM OF THE BIBLE TRIP

Members of Kingdom Church and Ministries took a trip on May 20th to Washington, DC to visit the Museum of the Bible. There they saw artifacts from ancient times, learned more about the history of the Bible and was quizzed on trivia they may (or may not have) known. There were interactive aspects within the museum, one example being visitors calculating the length of time they were born after the birth of Jesus.

The museum was so large and offered so much that they could not see all the exhibits in one visit. Many said it's a place they would visit again.

YOUTHFUL PERSPECTIVE

Jesus, Why Me?

Have You ever asked yourself the question "Jesus Why Me"? Sometimes things will happen that will make you question your existence in life. I know that I can think of so many times in my life when I've looked at myself in the mirror and screamed at the top of my lungs "JESUS WHY ME"? As sure as I am that day will turn to night and night into the day, I can guarantee that as long as you keep living, trouble is sure to come. Some issues you can quickly navigate through. Issues like an unexpected bill or loss of a job. I remember I was told many years ago that if you ever had to pick a problem, let it be a money problem because the only thing it takes to solve it is time and work. But what happens when the problems occur that cut so deep that no matter what you do, you can't seem to bandage them? The issues that hurt so bad that at times you don't recognize yourself or anything around you. Those issues that make you say, "for sure this can't be happening to me". "JESUS WHY ME"?

One of my favorite stories in the Bible is the story of the woman with the issue of blood. Luke 8:43-48. Imagine bleeding for 12 years and having no cure and not one person can seem to figure out why. Can you imagine the shame she must have felt? Can you imagine how confused she must have been? Some of us are walking around bleeding from an issue and asking ourselves "Why Me"? What if I asked you a question, "Why not you". Some issues are generational. Ask yourself, will this continue to the next generation in my family? What If I told you God allowed this to happen again in your family because GOD knew you were the only one crazy enough to say "THIS IS IT". Jesus, my family will no longer bleed from this issue. You know that boldness inside of you, have you questioned it or asked yourself why am I this way? What if that boldness was needed to set the captives free? So, the woman bled for 12 years and was healed. She was bold enough to come through the crowd and touch the hem of His garment. Is this your time? Is this your season? ARE YOU IN YEAR 12? Are you bold enough to touch the hem of the garment of the Lord? I believe that some issues that we face, though it hurts more than anyone could ever imagine, you only went through it because God knew you would survive and that your healing would save souls. So, the next time you hold your head down with shame asking, "Jesus Why Me"? Remember there is someone waiting for you to boldly say "Jesus Why Not Me!"

My Confession of Faith

I am what God says I am.

I shall be blessed in my going out and my coming in.

I am not an afterthought of God, but a part of His Original Plan.

I was chosen in Him before the foundation of the world.

I am a vessel of righteousness, called out, washed thoroughly and filled with is Holy Spirit, that His glory shall be revealed in me.

I accept His predetermined plan for my life.

I am a believer.

I am a receiver of all His blessings.

I will honor God in my living.

I will honor God in my giving.

I will honor God in my attendance.

I shall be blessed in such a way, that all will know that I pay my tithes honestly and consistently.

I will avoid being cursed and avoid bringing a curse upon myself as well as my household.

I will lift my hands in adoration.

I will offer unto Him a sacrifice of praise.

I will worship Him in this sanctuary.

I will raise my voice in praise.

I will bless the Lord at all times and His praise shall continually be in my mouth.

TO YOUR GOOD HEALTH

Men, Take Control of Your Health Now!

Men's Health Month aims to promote early identification and treatment of diseases like Hypertension, Prostate Cancer, and Stroke (Centers for Disease Control, CDC 2023).

Author's Note:

Men! The time is now to implement healthy living decisions, including exercise, diet, physical activities, and seeing your Primary Care Physician (PCP) on a routine basis. Remember, it is important to develop a trusting relationship with your doctors. Also, make sure that other doctors you might see have a relationship with your PCP so that the right hand knows what the left hand is doing. For example, if your PCP gives you high blood pressure medication, you want to be sure that any specialist you see does not give you a medicine that conflicts with other medications. Understand that Physicians in the same health group can see your medical records electronically without requesting them.

Note from The National Institute of Health (NIH): The NIH has Partnered with the Center for Disease Control and Prevention (CDC) and the National Cancer Institute to recognize men's health for the month of

Hypertension Prevention Tips:

- Control your blood pressure by yourself. You have the power to manage your blood pressure and lower your chance of developing diseases, including renal disease, heart attack, and stroke. For most people, controlling blood pressure means keeping it below 130/80 mmHg.
- Learn to check your blood pressure at home.

Prostate Cancer Prevention Tips

- Get Prostate Cancer Screenings every 2-3 years, depending on the results of previous tests and your healthcare provider's recommendations. Before deciding, talk to your doctor about the benefits and harms of screening for prostate cancer.
- If you are over 70, get screened on a routine basis.

Stroke Prevention Tips

- Consume meals high in fiber and low in cholesterol, trans fats, and saturated fats.
- Limit salt in your diet, maintain a healthy weight, exercise.
- Check cholesterol regularly and take your medication as prescribed.

MINISTER'S THOUGHTS

Only One Gospel

We are living in a time where the enemy is still deceiving God's people. Paul said in Galatians 1:6-7, "I am shocked that you are turning away so soon from Him who called you in the grace of Christ, to a different gospel, which is not another; but there are some who trouble you and want to pervert the gospel of Christ." That is how important the gospel of Jesus Christ is now and forever. For heaven and earth is going to pass away, but the Word of God will never pass away. We see nothing has changed; they are still perverting the gospel. We must hold strong to the word because Satan wants to snatch it from us. Satan will continue to strive to wear down the saints. But remember, there is only one gospel.

Elder Janice Prattis

SINGLE'S MINISTRY

Don't Rush

As single men and women, sometimes we rush into wanting to be married instead of waiting for the mate God has for you. It often takes time to see the good plan of God to unfold. In time, if you wait on the Lord, you will see the good God has planned for you.

1 Corinthians 2:9

No eye has seen, no ear has heard, no mind has conceived what God has prepared for those who love him.

MONEY MATTERS

Do You Really Need It?

Everywhere we go, there is the temptation to spend money on things that are not necessary. The thing that might look good in the corner of the living room, the conditioner that may give the car that special shine, that object that we already have 3 of; and they're all just a click away. It is so easy to get our hands on the things we desire but don't need and turn out to be a waste of money. Sometimes we must tell ourselves "No". The bible says in Proverbs 21:20 *"There is treasure to be desired and oil in the dwelling of the wise; but a foolish man spendeth it up."* While we are securing our eternal future with faithful service to The Lord, let's do our part to secure our natural future. The wise man has what he needs for today while storing up for tomorrow. God has blessed and favored us. Let's not waste the blessing. Don't be like the foolish and waste money as soon as it comes in. Have something to show for the blessing God gives and hard work you put in. Be like the wise man, save.

BISHOP'S PRESENTATION

Bishop Carlston Brisco Sr. was elevated to the position and ordained as Bishop on September, 14th 2019. The following year, the world experienced a pandemic, making it difficult to coordinate having his apparel embroidered. Yet, on April 9th, his wife, Lady Brisco made a surprise presentation to Bishop Brisco, having placed an official Bishops' seal on his priestly apparel along with four framed plaques, each commemorating his position as Bishop.

The official seal features the "Brisco" coat of arms, represented by three greyhounds based on recorded family history, the Latin words "Sanctus Dominus", which translates to mean "Holiness unto the Lord", the roman numerals "MMXIX" signifying the year Bishop Brisco was ordained and much more.

It was a beautiful and well deserved presentation. We look forward to seeing how much more God will elevate Bishop Brisco!

BISHOP JAMES NELSON

On April 23rd, Bishop James Nelson Sr. of World Assemblies Restoration preached at Kingdom Church and Ministries! The anointing was heavy, as we saw God strengthen the bodies of our Mothers, encouraged the hearts of the believers and increased our faith even the more!
